

SAFETY PROCEDURES

in force at Accent School of Polish in connection with preventing, counteracting and combating COVID-19

1. Teachers and office staff are provided with personal protective equipment, including gloves, face masks, or helmets.
2. At the entrance to the school there is information about obligatory hand disinfection and about obligatory covering of the mouth and nose while moving around the school (outside the classroom during the lesson). Masks are available at the entrance to the school.
3. Surfaces (tables, chairs) are disinfected after each lesson.
4. Telephone numbers for the sanitary and epidemiological station in Krakow and medical services, and emergency numbers 999 or 112, are available in designated places in the school.
5. We provide a room (equipped with, among others, personal protective equipment and disinfectant fluid) ensuring a minimum distance of two meters from other people, in which it will be possible to isolate a person in the event of disease symptoms.
6. The teacher and students stay in a designated room with the same group of max 3-5 people.
7. At least 4 square meters is provided for each student.
8. The teacher and students are required to keep a minimum distance of 1.5 m between each other.

IMPORTANT! Students do not participate in lessons if they are in quarantine or in isolation at home, or if they exhibit disease symptoms!
